Walt Disney World

Cast Members will be sharing magic across the Theme Parks and beyond, helping you create unforgettable memories that will last a lifetime

DISNEY'S BLIZZARD BEACH WATER PARK

Disney built a ski resort in Florida. And it melted... go figure. From bunny slopes for little squirts, to black diamonds for the slope shredders, this Water Park is equal parts exhilarating action and epic relaxation for everyone.

Tickets will include admission to *Disney's Blizzard Beach* or *Disney's Typhoon Lagoon* Water Park, whichever is open.

It might look cool, but the fun really heats up at *Disney's Blizzard Beach* Water Park!

Presided over by the snowy peaks of *Mount Gushmore*, the Park is home to a host of wonderful water slides and brilliant bobsled runs, so there's plenty of thrills to be had!

It's impossible to come to this Park and not notice *Summit Plummet*—one of the world's tallest free-falling waterslides. Climb to the top, then race to the bottom at 60mph for the ultimate not-to-be-missed thrill ride.

On the flip side, you can soak up the Florida sunshine as you float serenely in *Melt-Away Bay*—a relaxing oasis at the base of the mountain. There's even a white-sand beach!

At this time a Park reservation is not required to visit a Disney Water Park, however, reservation requirements are subject to change.

When it's time to get going again, grab your gang and head for *Teamboat Springs*, a family raft ride through gushing waterfalls, then go head-to-head in a rapid race down side-by-side slides at the *Downhill Double Dipper*.
